• Curated by Experts:

- Questions crafted by Subject Matter Experts with firsthand experience and insights into the latest exam patterns.
- Experts themselves have qualified for the exams, ensuring questions closely match the actual examination.

• Comprehensive Test Series:

- A diverse range of assessments, including free mock tests, full mock tests, half tests, chapter-wise tests, and quizzes.
- Full mock tests mirror the format of the actual exam in terms of question count, sections, time duration, and marks allocation.

• Detailed Solutions:

- Access detailed solutions for every question in an easy-to-understand manner.
- Gain insights into important concepts and their practical application through comprehensive explanations.

• Performance Analysis:

- Extensive analysis of performance, including overall difficulty levels set by experts.
- View score, attempted questions, accuracy, and percentile score for holistic understanding.

• Sectional Analysis:

- Understand expected difficulty levels for each exam section and evaluate performance accordingly.
- Assess sectional accuracy against the cut-off (if applicable) for targeted improvement.

• Real-time Ranking System:

- Engage with a real-time ranking system to understand standing among test-takers.
- Compare performance against top scorers based on metrics like score, accuracy, time management, and question accuracy.

• Strengths and Weaknesses:

- Identify strengths and weaknesses across different topics.
- Utilize correctness percentages to pinpoint focus areas for enhanced performance and targeted preparation.
